

Dear Sirs,

I am in support of the protection of FM translator service. The station that I listen to daily is K-LOVE which serves my local communitiy. This faith based station adds to my community and personally by supporting popular christian music for young and old alike commercial free. It is family friendly, positive and encouraging and what I want my children to be listening to. If K-LOVE is displaced by LPFM station I have no guarantee that I will be able to find the same quality as what K-LOVE has to offer.

Please keep K-LOVE (88.5,88.3 and 91.1) in my communitiy by protecting this FM translator station.

Sincerly,

Julie Buller
